Critérium du Dauphine: the French Alpes away from Le Tour!

This French Alpes journey starting and finishing in Grenoble provides the perfect balance between pro racing, Tour de France road recognition and back road cycling experiences. The **Critérium du Dauphine** is one of the most important lead-up Tour de France races. There are many advantages in travelling to the 'Dauphine' rather than Le Tour. The race is disputed during early June and also organised by A.S.O which means all the big names come out for this 8 stage race. The lesser crowds means access to the stages is improved and with the race confined to a relatively small geographical area transfers are kept to a minimum meaning more time for you to ride!

If you are keen to explore the French Alpes and witness the 3 final stages of the 2019 Dauphine LIVE then look no further! The 2019 race route will be released by A.S.O. during **mid March 2019** but we are pleased to already release our tour dates. Come and join us from 5 to 13 June 2019! This cycling tour will start and finish in Grenoble (capital of the French Alpes) which has excellent access to both Lyon & Paris airports. We will also spend multiple nights in the Lake Annecy region (Venice of the Alpes) which includes many enjoyable 7-10km climbs in the area.

The previous 3 editions of the Dauphine have seen the pro peloton scale the heights of Alpe d'Huez, Col de la Madeleine, Col de la Colombiere, Col de la Forclaz and Cornet de Roselend. 2019 will be no different!

Come & join us from 5-13 June 2019 for a French Alpes & Lake Annecy journey!
